

RENTAL APPLICATION PROCESS

It is Walters Home Management's policy to provide a standardized guideline for accepting tenants, to ensure all applicants are treated fairly and equally in rental decisions without regard to any protected class status of applicants and to accept only responsible tenants who will pay rent on time, follow the rules, and maintain the rental property.

Each applicant's screening report will be reviewed for three types of adverse information: **TERMINALS**, **NEGATIVES** and **REQUIREMENTS**. **All adverse information applies to applicants and their household members.** If any one **TERMINAL** item is found, the application will be denied. If **NEGATIVE** items are found, the application may be denied, or the owner may accept with conditions (an increased security deposit or a co-signer.) All **REQUIREMENTS** must be met.

TERMINALS: The following items will be considered terminal:

- Any **OPEN** bankruptcy (a bankruptcy which has not been discharged)
- A total of \$1500 or more in unpaid collections or accounts charged-off
- A total of 3 or more delinquent payments in the last 12 months
- Negative or incomplete rental reference. A negative rental reference is any reference indicating applicant is currently delinquent in their rental payments or left a prior residence owing monies.
- Any record of balances owed to a property management company and/or landlord
- Any filing of an eviction action (unlawful detainer) or any current 3-Day Notice to Pay Rent
- Any income level which is less than 2.75 times the rent of the unit applied for
- Any applicant who does not cooperate in all aspects of the application process, provide requested documentation to facilitate the process, or who misrepresents any information on the application.
- Any applicant who exhibits behavior that is abusive, harassing, or combative towards management company's employees and/or landlord or whose behavior gives management company and/or landlord cause to believe that applicant cannot or will not comply with the rental agreement and/or follow the rules.

NEGATIVES: The following items will be considered negative items:

- Any income level which is less than three times the rent of the unit applied for
- A total of 3 or more delinquent payments in the last 3 years
- Any single account that has more than 3 delinquent payments in the last 3 years
- Any collection, charge off, judgment, bankruptcy or lien within the last 5 years
- Any instance of proper Notice to Vacate not being given to a previous landlord
- Any landlord reference that cannot be verified
- Lack of credit and/or rental history

REQUIREMENTS:

- Completed and Signed Rental Applications from all occupants over 18 years old
- Non-refundable application fees for all Rental Applications (\$37/applicant over 18)
- Proof of legal, verifiable income such as copy of current paycheck stub, most recent years' tax return, current bank statements, proof of receipt of government benefits (such as Social Security, disability, welfare, etc.) retirement income, investment income, spousal/child support, student loans or proof of any other legal verifiable income.
- A minimum of 12 months verifiable rental history

ANTI-DISCRIMINATION: Applicants shall be reviewed without regard to race, color, religion, national origin, sex, familial status, disability, marital status, age, ancestry, source of income, sexual orientation, gender identity or expression, genetic information, medical condition, citizenship, immigration status, primary language, any arbitrary reason or any other basis protected by federal, state or local law.

I understand that the \$37.00/applicant fee for verifying my application is not a deposit or rent and will not be applied to future rent or refunded even if the application to rent is declined. The amount charged is itemized as follows: (1) Actual cost of each credit report, unlawful detainer search, and/or other screening report is \$10.00 (2) Cost to obtain, process, and verify screening information is \$27.00 (3) Total fee charged: \$37.00 per application.

All applicants are required to meet the Residential Acceptance Policy detailed on the reverse side. The following is additional information to consider as you consider applying for a WHM property:

General Guidelines

- All individuals 18 years or older and emancipated minors with proof of emancipation must complete a Rental Application, provide a government-issued photo ID and sign the Lease Agreement.
- Incomplete applications, omissions or misrepresentations on the Rental Application are grounds for denial of the application

Income Documentation

- Individuals that are employed and receive hourly or salary wages should submit the 2 most recent paystubs. New employment must submit an offer letter on company letterhead stating start date and compensation.
- Self-employed applicants must provide 3 months most recent company bank statements and the most recent year's tax return
- Retired applicants or applicants with government benefits must provide 3 months recent bank statements showing monthly direct deposit of payments OR the documentation indicating the monthly income (government letter of social security, disability or other income) OR proof of receipt of investment income.
- Applicants using income from assets must provide the most recent account statement(s) showing at least 3 times the monthly rent multiplied by the number of months in the lease term
- Applicants with other sources of income (such as spousal/child support, student loans, or other legal income) must provide documentation showing the amount of monthly income.
- Unverifiable income is not considered.

Verifiable Residency

- A minimum of 12 months rental history is required if Applicant is not moving from a home they have owned.
- Applicants who lack rental history may qualify without rental history only if all other criteria are met. NOTE: property owner may require guarantor for any applicant who lacks rental history.
- Any rental reference indicating applicant is currently delinquent in their rental payments or left a prior residence owing monies will result in immediate denial of the application.
- Relatives are not acceptable rental references

Credit History

WHM policy on payment history and credit is detailed on the reverse.

Possible Cures for Less than Standard Qualifications (on an individual basis at property owner discretion)

- Additional security deposit – if an applicant does not meet our standard methods of qualifications, detailed on the reverse, on a property-by-property basis the owner may accept an increase in the security deposit to compensate for additional risk assumed. Increased deposits, if approved by the owner, range from 1.5 to 2.0 times the monthly rent.
- Co-signer or Guarantor – a guarantor may cure qualification issues regarding negative credit, insufficient income or lack of rental history. The guarantor must be living in the State of California, must submit an application, must have a minimum income of 4 times the monthly rent and an excellent credit history (no late payments, liens, judgments or bankruptcy in the last 7 years).

Application Selection Criteria

Applicants understand that more than one application may be received on a property. Walters Home Management's selection practice is first come, first qualified, first served. The property will remain on the market during the application process and will only be taken off the market when a deposit has been paid and a lease agreement has been signed.

If you have any questions concerning the application process, please contact Walters Home Management offices at 858-675-9515.
